

Creating a Safer Healthcare Environment[®]

LA GARD 700 Series & Scripps Safe Rescue Series[®] Audit Management + Secure Storage

Access that meets current state and DEA electronic record keeping requirements.

We Bring Innovation to Compliance®

dormakaba's new LA GARD 700 Series

Security – the ultimate in state-of-the-art electronic safe locks designed to support the ever-changing needs of today's world

Efficiency – lower total cost of ownership, fewer battery changes, ease of use, simplified inventory management

Confidence – from a name you know and trust

User Experience – unified software platform, feature-rich OLED display, simplified user-prompts

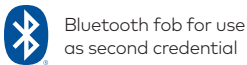

Reliability – confirmed by third-party Reliability Test lab; certified by UL, EN1300, SBSC, CNPP a2p

Excellence – quality commitment backed by 2-year warranty; extended warranty available, world-class support, modern dormakaba design aesthetic

Top-Rated Security – LA GARD's 700 Series is ideal for commercial applications including pharmaceuticals, government and first responders

Scripps Safe Rescue Series® the Only UL & DEA Compliant Solution

- Scripps Safe commercial grade units stand up to constant use in demanding operating environments
- Scripps Safe units can be serviced, updated or replaced in the field by hundreds of factory-trained technicians, rather than being sent back to the factory
- Complete interconnected inventory platform and several new models coming in 2023
- Made in the USA
