## GUARDIAN SERIES<sup>®</sup>

C1 Safe<sup>®</sup>, TL-30 (Schedule I-V)  
Controlled Substances Narcotics Vaults

*Affordable DEA & State Board Compliant Security for Medical Marijuana, Drug Treatment Clinics, R&D Facilities, Compounding, Pharmaceutical Companies, Distributors, and others*

Scripps Safe Guardian Series<sup>®</sup> Narcotics VAULTS are the nation's leading top-rated purpose-built U.L. narcotics vaults that meet the DEA's highest compliance storage and dispensing standards. Units come alarm ready with full audit and electronic management capabilities.

Scripps Safe also offers the only C1 Safe<sup>®</sup> with humidity and vapor control for medical marijuana and R&D research.

Designed for non-practitioners (all schedules) and practitioners worried about diversion. Secure narcotics, reduce cost and increase productivity with integrated storage systems.

Unit costs covered  
under SAMHSA  
grant program\*
